## THE ELEGANCE OF STONE FLOORS

DATA PUBBLICAZIONE: 13 JULY 2017

**Pimar** natural stone stands out for its **ductile character**, making it perfect for use in various modern construction sectors, for interiors and exteriors, large buildings, prestigious hotels and private homes.

Floors and pavements in Pimar natural stone are also ideal for **gardens, villas, urban areas**, entrance paths, terraces. With its nuances of white, gray, straw yellow and carparo, the stone is perfect to bring light and warmth to both indoor and outdoor spaces.
